WORKS
WITH
PIXIE

SKYFAN DC CEILING FAN APP CONTROL MODULE

The FanLink module pairs Skyfan DC Ceiling Fans with compatible mobile devices through the PIXIE App.

- Alternate control option for sites with limited wiring options
- Quick and easy installation for new and existing SkyFans
- Also works with LED SkyFan models
- Utilise timers, speed and function controls in the free IOS and Android App.
- Compatible with voice assistants Amazon Alexa & Google Home*.

COMPATIBLE WITH ALL SKYFAN DC MODELS

Model	Colour	Description
